Statement of Counseling/Education Services

Please read the following statements carefully so that you will understand the procedures for your session. Our hours of operation are 8:00 am – 5:00 pm, Monday – Friday. Appointments are available some late evenings. Please call for dates and times. Classes for Bankruptcy and Financial Education courses are available – please call for next class date and time.

Please read each statement below:

I understand Origin SC will provide a confidential, comprehensive, personal money management interview and/or class.

I understand that a Certified Consumer Credit Counselor or a qualified professional counselor will conduct the interview and/or class. The National Foundation for Credit Counseling (NFCC) and the South Carolina Department of Consumer Affairs certifies all Origin SC credit counselors.

I understand that I will be issued a certificate upon completion of any course for financial education training, pre-filing for bankruptcy counseling, and post-filing bankruptcy debtor education course required by law, provided by Origin SC. These courses are offered regardless of the participant's ability to pay. Origin SC does not pay or receive fees or other considerations for the referral of clients for pre-filing counseling or debtor's education classes.

I understand that in the event that we are dissatisfied, we can utilize the **Complaint Resolution Process**.

I understand that Origin SC has a "3 strike" policy in regards to client contact. If they attempt to contact me three times without any success, my case will be closed out.

I understand that most of Origin SC's funding comes from voluntary contributions from creditors who participate in *Debt Management Plans* (DMP). Since creditors have a financial interest in getting paid, most are willing to make a contribution to help fund our agency. These contributions are usually calculated as a percentage of the payments I make through my DMP—up to 15% of each payment received. However, my accounts with my creditors will always be credited with 100% of the amount that I pay through Origin SC and Origin SC will work with all my creditors regardless of whether they contribute to the agency. Other funding comes from fees paid by clients for services rendered.

I will be given an assessment outlining a suggested client action plan, which will be based on the following options:

- Credit counseling services are not suitable for all consumers and that consumers may request information about other ways, including bankruptcy, to deal with indebtedness; and
- Debt management services offered by the provider do not include secured debt, such as mortgages, auto/boat loans, most student loans, child support payments and alimony payments.
- I will handle my creditors directly.
- I may choose to enroll in a DMP Program. Your DMP serves the dual role of helping me repay my debts and helping creditors to receive the money owed to them. My participation in a DMP will not change anything that is already on my credit report. If my credit report reflects that I have paid creditors as agreed in the past, a DMP could have a negative impact on creditworthiness decisions by potential creditors, landlords or employers in the future. In addition, creditors may report that I am on a DMP and am not paying as originally agreed although they have accepted the reduced payment. Origin SC has no responsibility or obligation for any past, present or future credit ratings assigned to me by my creditors.

- In the event that a counselor suggests a DMP, I will receive complete details of the operations, requirements and responsibilities. I will be referred to additional services of Origin SC or other agencies that may be able to assist with particular problems that have been identified.
